1. Students get the opportunity to participate in internship, student exchange, field visit and field trips.

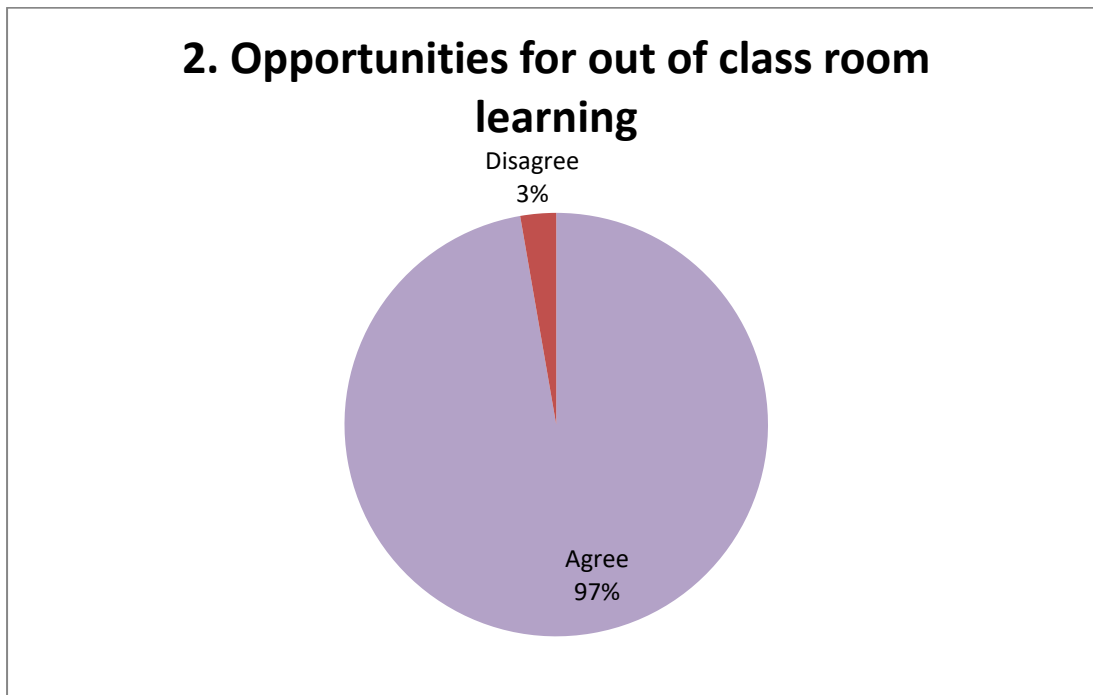

1.a. If you do not receive the opportunity to participate in Internship, Students exchange, field trip and field visit Kindly give your suggestions to improve.

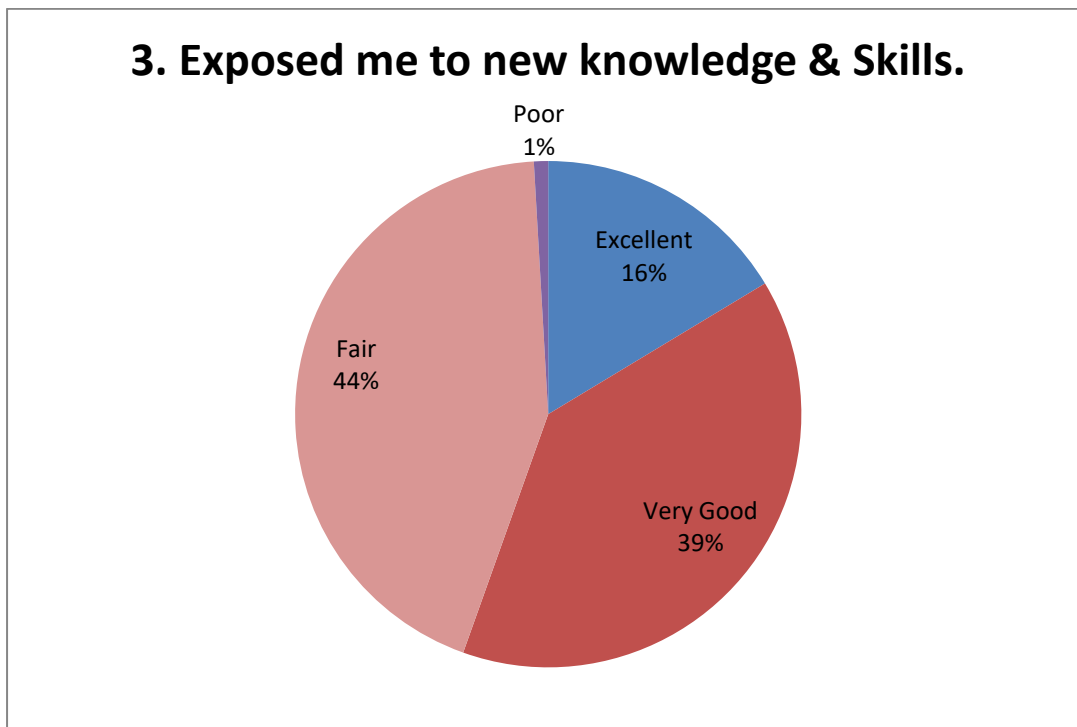

- It should remain as it is
- Maybe select students that haven't participated in any kind of students exchange or visits and not the same students over and over again.
- I received lots of opportunity
- To my opinion, it'll be much good if the college take the outgoing students for tour.
- Pre planned and go for trip during weekends and holidays.
- Make it compulsory for every department to go for any trip atleast once. which means some dept will organise on and on and some never.
- Got the opportunity
- Students can make their own group and do collection so that they can go out on their own .
- To look potential in every student not only the ones good in academic
- Equal opportunity should be given to anyone
- Equality
- I Have got the opportunity
- Give opportunity to all the students both brilliant students and average students. There should be no partiality among the students..
- Free Sponsorship

- Yes, it's better if we can apply that.

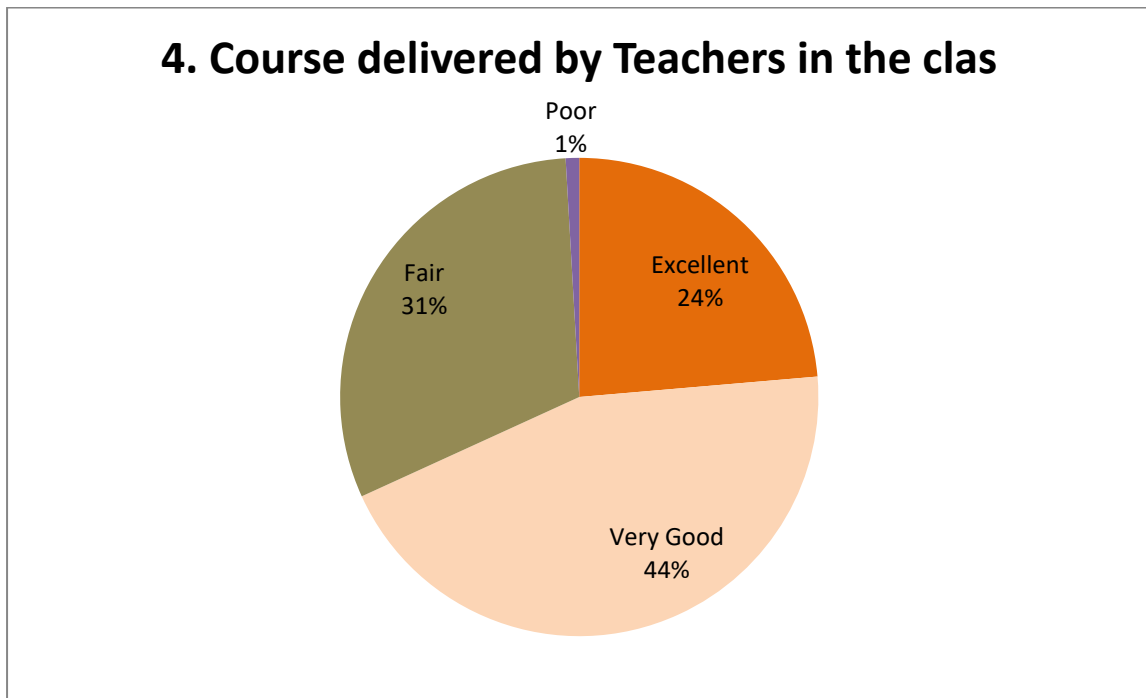

2. Opportunities for out of class room learning (guest lectures, seminars, workshop, value added programmes, conferences, competitions, etc).

3. The course exposed me to new knowledge & Skills.

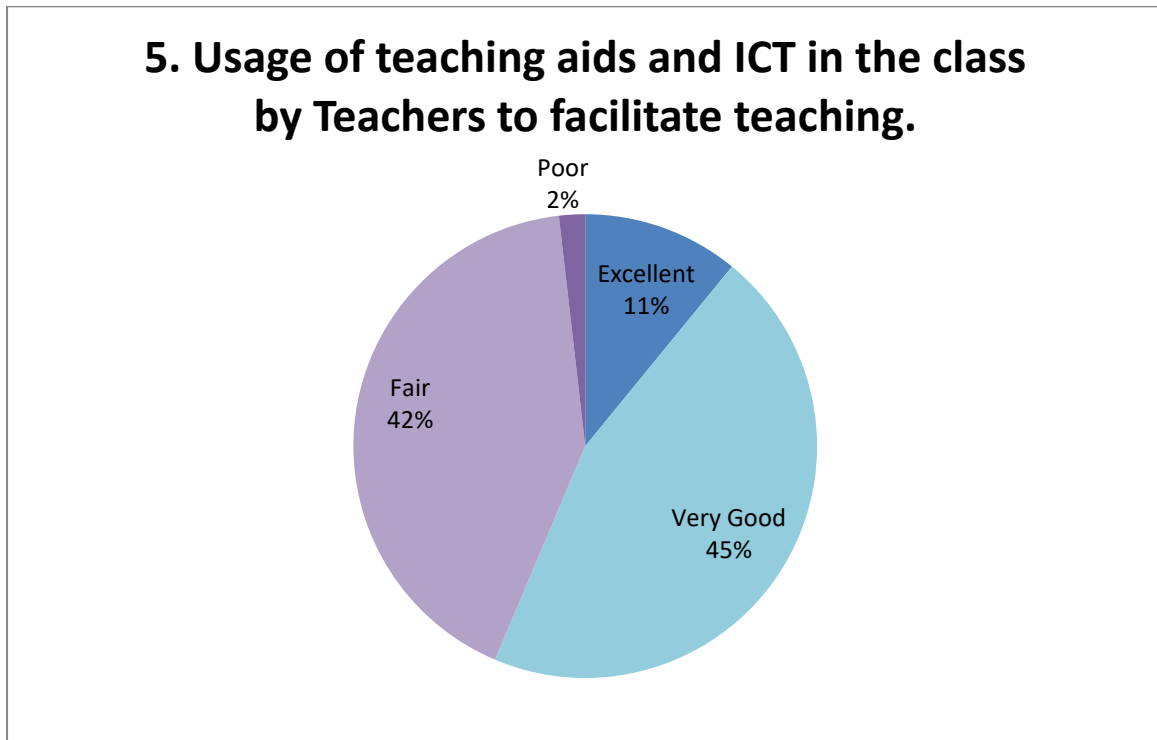

4. Course delivered by Teachers in the class.

4.a. If there is any suggestions you would like to suggest on course delivered by your teachers, if so kindly comment.

- Explaining in such a way that he/She is able to understand
- Take more feedbacks than rebuke.
- Good
- Take lectures not for too long as we get bored and don't want to listen
- Explanation after giving reaching out the material to every student's is better
- Research

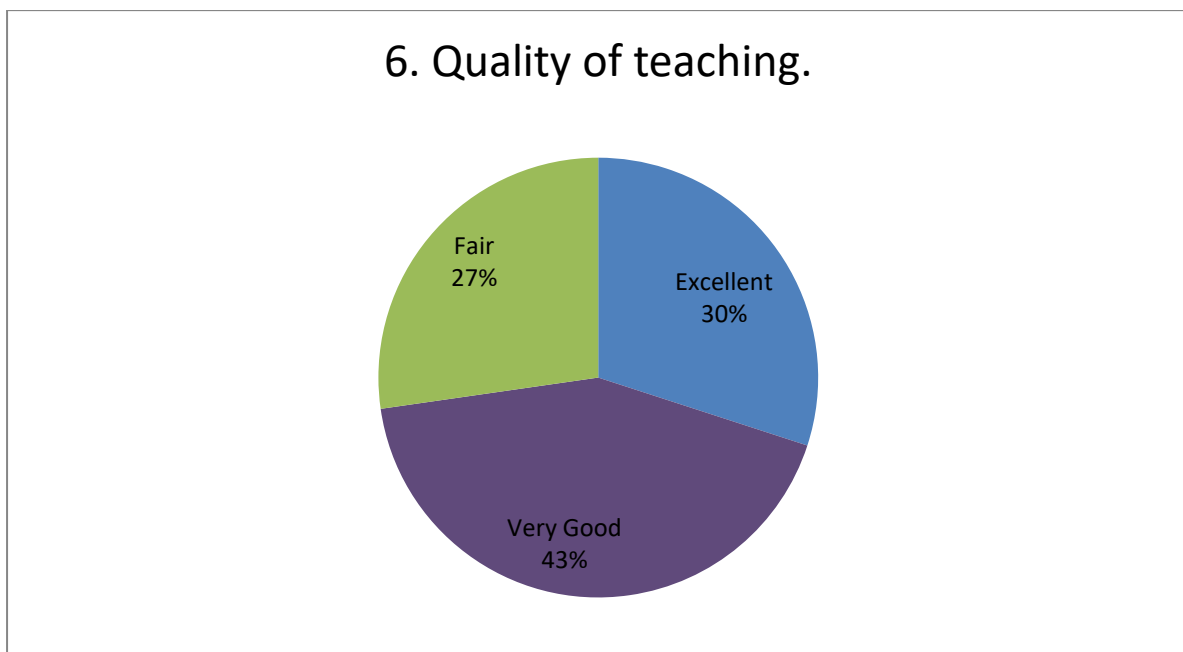

5. Usage of teaching aids and ICT in the class by Teachers to facilitate teaching.

5.a. If there is any suggestion you would like to suggest on the usage of ICT and the different teaching aids? If so then, kindly suggest.

- Since technology is advancing, college should impart this education.
- More improvement on ICT

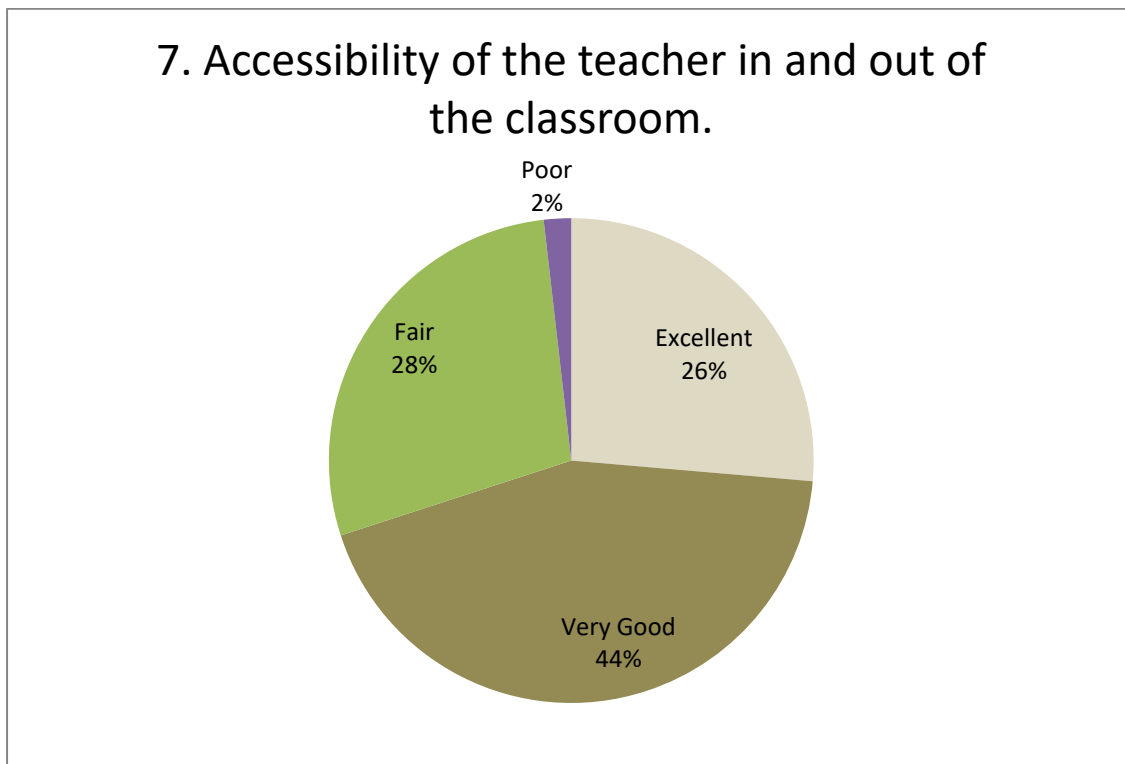

6. Quality of teaching.

6.a. If there is any suggestion on the quality of teaching kindly comment.

- Some teachers treat us like kids!!
- Having the ability to let the students understand what she/he is explaining
- Maybe separate personal beef n classroom learning . (Just a few teachers although)
- Teach slowly and give break in between sometimes
- A good relationship between students and teachers makes the best classroom
- Best teachers providing best quality of teaching.
- All the teachers are well qualified but there is some changes and improvment to be made

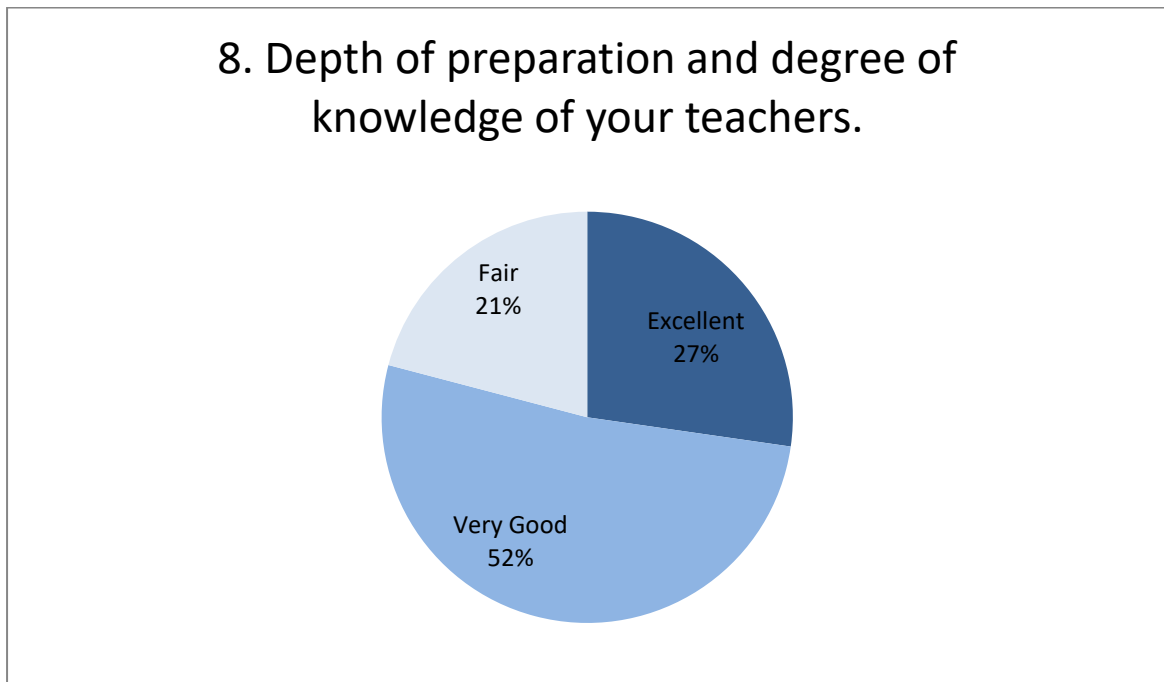

7. Accessibility of the teacher in and out of the classroom.

7.a. If there is any suggestion on the accessibility of the teachers in and outside the classroom, kindly comment.

- By using projectors for better understanding by students
- It's just excellent

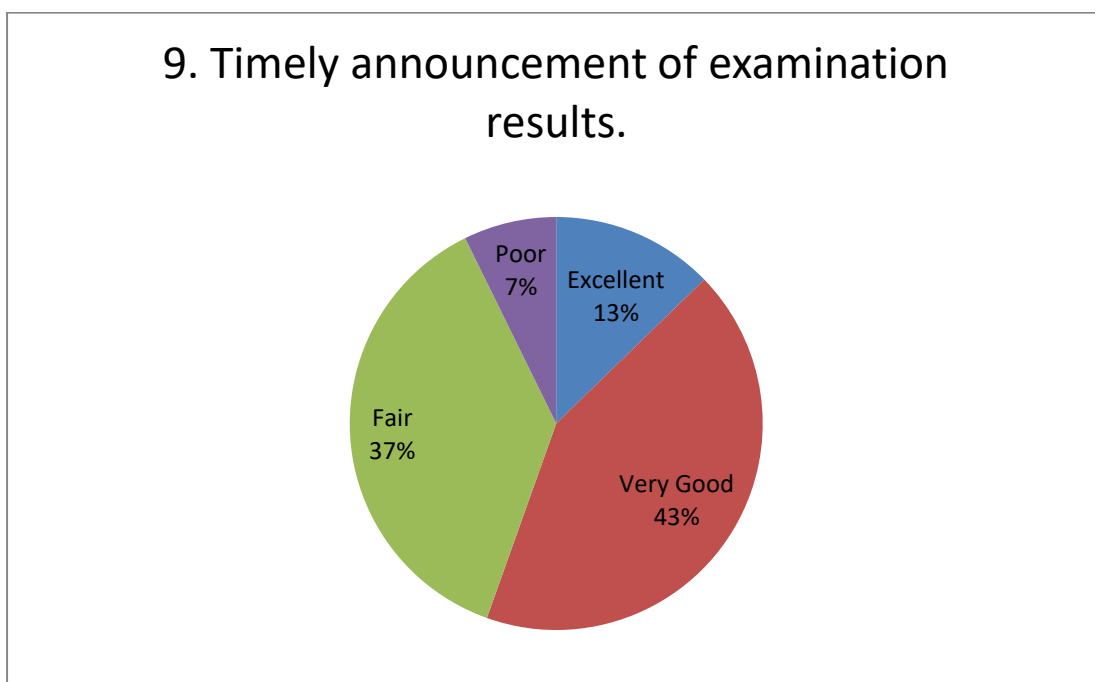

8. Depth of preparation and degree of knowledge of your teachers.

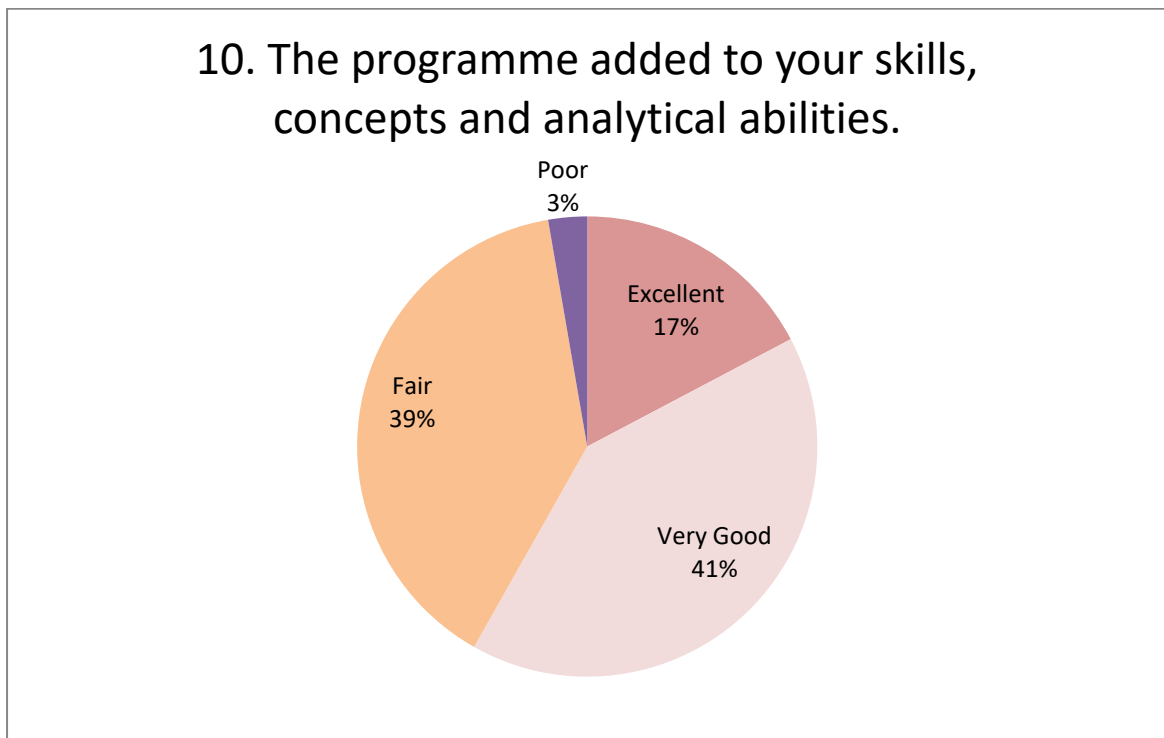

8.a. Any suggestion on the depth of preparation and degree of knowledge of your teacher.

- Not much experiences in teaching
- Everyone is very good
- They know better.

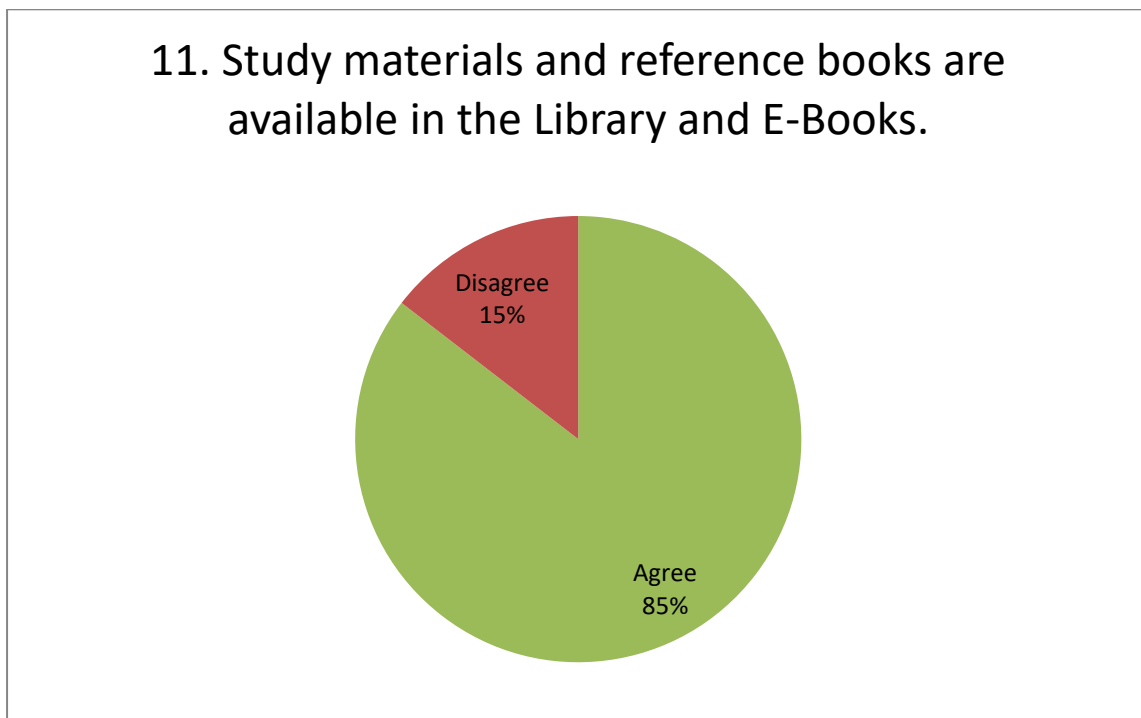

9. Timely announcement of examination results.

10. The programme added to your skills, concepts and analytical abilities.

11. Study materials and reference books are available in the Library and E-Books.

12. Overall Learning Experience.

13. Feedback or suggestion on curricular aspects?

- The learning environment is much more better than other colleges
- 1.More flexible classes.
2.learning outside of classroom.
- Hoping that soon they'll install projector in A10
- I believe that it's fair enough.
- Very poor curricular activities
- Quality lectures
- Best of the best .
- Have more activities
- It's good but it can be better
